cornice

Cornices are a classic way to conceal the mechanisms of other window treatments. They also make a window appear lower or higher than it really is. We provide many options, from a straight box board to a stylish curve.

valance

Top treatments of free-hanging fabric is a wonderful way to top off the window and conceal the drapery hardware. Eagle provides many valance options to meet your design needs, including Tailored, Box Pleat, Pinch Pleat and Swag/Cascade valances.

If you desire a variation from a typical style, we will strive to match your creativity with reality.

duvet cover

Custom-made duvet covers offer edge details with or without a welt cord. For closure, choose a concealed nylon zipper, Velcro or buttons. Each duvet cover also features strings inside the corners to secure the duvet insert.

downlike comforter

This ultra-soft comforter is the perfect choice for a wide variety of beds. Washable and hypo-allergenic, the comforter is 100% cotton with a 233 thread count.

bedspread

We offer custom bedspreads and coverlets, created to your custom specifications. Throw, waterfall fitted, fitted with gusset or closed fitted. All of our bedspreads use a lock-stitch industrial sewing system to avoid “fly-back” when broken threads occur. We guarantee our stitching under normal wear for one year.

{ skirts }

Eagle offers bed skirt options to match any room theme or décor. Choose from three attractive styles: Tailored-5 Pleat, 200% Gathered and Box Pleated. All feature a 70/30 pre-shrunk polyester/cotton platform and a 4" self-platform banding at the top edge. Additional options: Box-Spring Hugger, Four-Sided and Quilted.

{ scarves }

Our bed scarves add a distinctive touch to virtually any room. We can custom-manufacture any bed scarf your imagination can create – in a variety of colors, fabrics and configurations.

{ pillows }

No bed is complete without soft and luxurious pillows. Eagle can match any bedding design to create a custom, tailored look for your rooms. From round to square, we can create pillows of any shape and size.
